15. The experience and skills learned were directly applicable to my job	4.4
16. Overall I am satisfied with the training program	4

Please answer the following questions, (Use the back of the paper if needed)

The training Workshop	
17. What were the strengths (content and mechanism)	
<ul style="list-style-type: none"> -New interesting topic -Interactive Approach -Interlink age between topics -Flexibility and promptness of the trainer -The variations between the CSOs that attended the workshop -There was some representatives from the Government -The use of visual materials aided the workshop- especially the political cartoons -The training was well structured -Good goals for each day -Collaborative/group elements of the training were beneficial - There was reference for international agreements the government had in their records -The full representation of the SDGs 	
18. What are the areas for improvement in the training workshop (content and mechanism)	
<ul style="list-style-type: none"> -To do again this workshop in more detailed way and add more time and analysis to the workshop's interlocutors - Develop a report on what is the current situation for Jordan - To develop a structured way for the participants where they can communicate and discuss in details the SDGs -Developing action plans to implement the SDGs in general not only goal 16 -Engaging diverse CSOs that are specialized in studying the SDGs - If you could make a follow up workshop to see some areas of implementing the SDGs 	
19. Do you have any other comments or notes about training	
<ul style="list-style-type: none"> -Perfect -Thank you for your efforts
