

With the 2019 HLPF completing the first cycle of the HLPF, and representing the first time that the global SDGs community reviews SDG16, the TAP Network is pleased to host a range of events with our key partners.

We hope that these events help to advance dialogue around many of TAP's priority issues.

To find out more about the TAP Network's engagement opportunities and events at the 2019 HLPF, visit:
