

TAP Network 2021 Work Plan

The 2021 Work Plan below outlines some of the key outputs that the TAP Network will work to advance in the year ahead, including shifting approaches and priorities to meet this changing need and difficult circumstances throughout 2021. Given the challenges of the COVID-19 pandemic, and the necessary shift towards virtual collaboration amongst the civil society community, the TAP Network will prioritize maximizing engagement, buy-in and ownership of TAP's work throughout 2021. The TAP Network's overall work is guided by the longer-term goals outlined in [TAP's 2020-2022 Strategic Plan](#).

The TAP Network will look to advance its work around the following critical work streams in 2021:
