Decisions and follow-up from this Agenda item were taken off the record.

4. Confirmation of TAP Coordination Call - Tuesday, 23 February 2021

Discussion:

The TAP Coordinator proposed that the following TAP Coordination Call take place Tuesday, February 23, as an opportunity to update members on new engagement opportunities, priorities for the year, potential new hires, and introduce the Partnership refresh process. The call would also provide an opportunity for the new co-chairs to introduce themselves to the membership.

Follow up:

The Steering Committee co-chairs will follow up with the TAP Coordinator to confirm a date for the TAP Coordination Call.

5. Partnership Updates

a. Fundraising Opportunities Overview

Discussion:

The TAP coordinator drafted an overview document for background and suggestions for TAP's fundraising activities. The document can be found here:

https://drive.google.com/file/d/1ITpgvNIX02qU8bNF4nwvT9_YxUbfalCQ/view?usp=sharing The document shared provides an outline of TAP's current funding, potential funding workstreams, and an analysis of potential donors.

The Coordinator asked that Steering Committee members provide comments and suggestions, particularly to the project overview and potential donors sections on the document. The former outlines activities TAP is doing and plans to do based on the WorkPlan. Suggestions on other activities/donors to expand to are welcome. Accountability Lab suggested that there should be stronger language around network building and supporting the membership during the crisis rather than just focusing on the outputs of the network itself.

Follow up:

- The document will be open to further feedback and comments from Steering Committee members until Monday, February 16.
- The TAP Coordinator will flesh out the descriptions for projects and activities, in addition to adding a tailored strategy and portfolio.

6. Review of TAP Partner Applications Discussion:

There were no new partner applications since the last Steering Committee meeting. The TAP coordinator called attention to the need for improving the recruitment process during the upcoming Partnership Refresh. Accountability Lab suggested that TAP hold a recruitment drive month long campaign amplified through social media for example.
