

# TAP NETWORK PARTNER ACTION PLATFORM

## Civil Society Commitments to SDG16+ & SDG Accountability

<https://tapnetwork2030.org/tap-partner-platforms/>

The new **TAP Network Partners Action Platform** is an online registry of our Partner organizations that aims to promote the wide-ranging work of our partners, as well as the **collective efforts of civil society around SDG16+ and SDG Accountability**. The platform will provide a foundation for our network partners to build more interactive and dynamic opportunities for engagement. With this platform, we hope to facilitate better collaboration within the network and among relevant, key stakeholders within the SDG 16+ and SDG accountability community.

In addition to showcasing each Partner's commitments, The TAP Partner Action platform seeks to **facilitate the sharing of knowledge and expertise within the network and among key stakeholders in the community**. Each of our Partner organizations featured on the platform have their own customizable web page that features a variety of media showcasing their mission and work, their commitments, resources and publications, social media handles, among other content, including TAP "Storytelling" initiative content also featured on **TAP's blog platform**.

# How to use the Partner Action Platform

To facilitate the sharing of knowledge and expertise within the network and among key stakeholders, the interactive **TAP Network Partners Action Platform** provides a fully customizable experience to explore, connect and collaborate with civil society organizations committed to advancing SDG16+ and accountability for the 2030 Agenda. Featuring a wide range of filtering and sorting capabilities, users can identify TAP Partners based on each organization's area of **expertise, regional focus, operating language, opportunities for collaboration, and working groups, among other attributes**. Partners can also customize their page with specific "action tags" to communicate to others that they are actively looking for funding or collaboration opportunities.

The Platform is designed to allow Partner organizations to showcase their current work through a variety of mediums and provide periodic updates on the status of their commitments. Organizations with recent updates will be highlighted at the top of the search results of the platform.

The screenshot shows a 'Filters' panel with a 'Clear Filter' button. Below the header is a search bar labeled 'Organization Name'. The filter categories listed are: 'Region' with a plus sign, 'Country Location' with a dropdown menu, 'Languages' with a plus sign, 'SGD16 Expertise' with a plus sign, and 'Area of Expertise' with a plus sign.

## How to Join the Partner Action Platform

TAP Network Partners enjoy a number of privileges and benefits as a result of their commitment to TAP's work. Most notably, TAP Partners are able to showcase their organization's work and their commitments prominently on the TAP Network's new Partner Action Platform. Other benefits include:

- Access to TAP funding and funding opportunities within the community
- Access to TAP funding and support for national and regional workshops
- Access to voting on TAP Steering Committee and other ballots
- Eligibility for upcoming leadership opportunities, including for national or regional engagement, or for the next 2022-2023 TAP Steering Committee
- Organization's work and commitments will be showcased on TAP's Partner Platform
- Featuring your work and key resources, events, and funding/partnership opportunities on the TAP Partner Platform
- Organization's work be showcased through TAP's multimedia "Storytelling Initiative," Newsletter, etc
- Access to a broad, international community of like-minded organizations, including TAP's membership and exclusive partnership listserv to promote engagement opportunities, events, resources, etc
- Ability to contribute to any TAP resources developed
- Ability to engage in working groups and/or serve as "focal points" of any TAP working/coordination groups

To become a TAP Partner, organizations must outline their specific commitments to implementing SDG 16 and/or towards accountability for the 2030 Agenda more broadly. If accepted as TAP Partners, each organization's commitments and periodic updates on their progress are showcased publicly on the TAP Partner Platform. These voluntary commitments undertaken are subject to periodic reporting and review, must be aligned with SMART deliverables - Specific, Measurable, Achievable, Resource-based, and Time-bound – and, finally, aim to drive the advancement accountability for duty-bearers as well as peaceful, just and inclusive societies as the foundation of the 2030 Agenda.

Elevating your status to become a TAP Network Partner will ensure that your organization can be showcased on this platform and around TAP's key advocacy and engagement opportunities and beyond. Additionally, TAP Partners going forward will be eligible for any funding opportunities put forward by TAP, as well as any leadership opportunities, including for national or regional engagement, or for the next 2022-2023 TAP Steering Committee.
