

# PROVIDE INPUTS FOR THE 2022 ROME DECLARATION

Share your priorities and recommendations for advancing SDG16+ to provide inputs for the 2022 update to the Rome Civil Society Declaration on SDG16+. These consultations come during a time of backsliding progress towards SDG16+, exacerbated by tectonic geopolitical developments and persistent crises created by the invasion of Ukraine, recent coups in West-Africa, COVID-19, and many others challenges faced by civil society partners.

Engage in the process through the two opportunities below or visit our website to learn more at:
