Second Round of TAP Network “Innovation Fund” – 2022

Overview:

The Transparency, Accountability & Participation (TAP) Network invites all current TAP Network Partners to apply for funding to support innovative projects that advance civil society engagement at the global, regional or national-level, with a focus on the TAP Network priority areas around SDG16+ and accountability for the 2030 Agenda. This “Innovation Fund” will seek to identify creative, non-traditional ways of engaging and mobilizing civil society partners around SDG16+ in particular, with the aim of piloting projects that can be scaled or replicated by others.

Proposals that prioritize “outside-the-box” ideas to advance civil society engagement around TAP’s work are encouraged. This can be related to any of TAP’s current work programmes, or completely new ideas for maximizing impact. “Innovative” proposals for this opportunity should go beyond more traditional means of engagement within civil society, such as meetings, workshops, webinars or blogs. Instead, “innovation” within proposals should focus on how to mobilize and engage civil society through non-traditional means, such as innovative media, non-traditional outreach methods or other ideas creative means of engagement.

Funding guidelines:

A total of \$10,000 USD will be available through this second round of the TAP Network Innovation Fund, with **TWO projects selected for funding of up to \$5,000 USD each.**

Proposals should adhere to the [TAP Network’s Funding Support Guidelines](#)

Eligibility Requirements:

This opportunity is open to any TAP Network “Partners”. A full list of current TAP Network Partners is available on our website at www.tapnetwork2030.org/action
